## TESTIMONIALS

I definitely recommend this house. It had everything you would need and more. Zanoza made sure we had everything that we needed with quick responses. The location is also close to everything. It's right off the freeway, less than a mile. And with all the patios and balconies, it had amazing views day and night. I've stayed in a lot of rental houses in my day and this is by far one of the best ones I've ever stayed in. A five-star house with a five-star host. **Terry**

The house was amazing. It doesn't look like much from the outside, but when you walk in you can tell much time and effort was put in to making the house stellar on the inside. **Ruben**

A very nice house for the area. It worked perfect for our business trip and was close to where we worked from every day. **Victoria**

This home was immaculate, spacious and well stocked with everything you need. This made for a very comfortable and worry-free stay. **Bonnie**

## WHAT IS A SHORT-TERM RENTAL

A short-term rental/lease is the term for when a resident rents for less than a year. Most homeowners do not want to spend time getting a home ready to rent to new residents after just a few days, weeks or months. This is why a homeowner usually commits a tenant to a year lease. With **ZANOZA**, you are not obligated to stay a set amount of time. Stay for a day or a week or for nine months. Whatever you want. Whatever your need is. The time you stay is up to you and **ZANOZA** will accommodate.

## WHAT MAKES ZANOZA BETTER THAN OTHERS WHO HAVE SHORT-TERM RENTAL HOUSING

The answer is: Service, Comfort and Attractiveness.

Yes, our prices are competitive, but it will be hard to find other landlords so accommodating, so friendly and so in earnest to earn your trust and loyalty. We want to make your stay feel like a vacation home.

You need something? We will provide it for you in a timely manner. Our hospitality staff will meet your reasonable needs.

Have a maintenance problem? Our maintenance team will be there to assist. Our cleaning crew keeps your place sparkling so that you can focus on your work or your vacation or both.

Every **ZANOZA** home's interior is designed to say, "Welcome home." The home will make you feel at ease and at home immediately.

You can expect your home to be spotless and inviting when you enter. **ZANOZA** knows that you traveled to get here. You are tired. There is nothing worse than traveling to a new place and finding it messy and dirty or sterile and unattractive. If you want to feel refreshed when you arrive, then visit a **ZANOZA** home.

**ZANOZA**. Service. Comfort. Attractiveness. Yes, you can have it all.
