ZANOZA

Renting a house can be stressful
And can take a long time. We found
Zanoza after a bad experience with
Renting our house. Zanoza made
the process a breeze. They are easy
to contact. They take care of repairs
and they don't bother you for small
stuff. They are great and we could
not be happier to have found them.

ABOUT US

We are **ZANOZA**. We are a company that rents homes. We guarantee you at least 2 years of hassle-free rent. We even take care of the upkeep for that amount of time. You won't have to spend a dime out of your pocket for general maintenance and upkeep. All you, the owner, need to do is sit back and collect your monthly check.

HOW CAN WE DO THIS

ZANOZA works with vocational agencies that house nurses, physical therapists and even au pairs among many others. These occupations often have traveling and temporary workers who need nice accommodations for a shorter amount of time than normal leases usually require. **ZANOZA** provides these accommodations for them.

ZANOZA

WHAT DOES THE OWNER HAVE TO DO

All you need to do is collect the rental check that comes from **ZANOZA** each month.

WHO WE AREN'T

ZANOZA is not a management company.

A management company collects checks from renters, takes a percentage and sends the rest to you.

ZANOZA is the actual renter and you get your full rent. On time. No hassle.

A management company maintains your property and then sends you the bill for it.

ZANOZA is responsible for maintaining the property and you never see the bills because Zanoza pays them.
